## PYEANTI-SLIP

*W-B Colourless Anti-Slip Floor Coating*

### DESCRIPTION

**PYEANTI-SLIP** is a specially formulated waterbased colourless anti-slip coating that gives the substrate a non-slip effect to give it a better grip on the flooring surfaces. It can be used in interior and exterior hard surfaces such as marble, terrazzo, slate, ceramic tiles, enamel bathtub and wood surface.

### DIRECTIONS FOR USE

#### **Surface preparation**

Ensure surfaces are clean, dry and free from dirt, grease and other substances that can reduce adhesion.

#### **Application**

Using brush or roller to apply evenly on the dry and dust free surfaces. Second coats are recommended for normal application. However, a third coat may be required for heavy traffic or extremely slippery surfaces.

Note : **PYE ANTI-SLIP** should not be applied onto surfaces where gloss are desired.

Product Code : REAS

### Storage

Store at room temperature in a cool and dry location and keep away from direct exposure to sunlight.

### TECHNICAL & PHYSICAL DATA

Colour	Milky white (colourless when dry).
Form	Liquid
